

# MANAGE MY WEATHER

Deliver weather with your banner placed on each message. Allow your clients to receive updated weather on request 24/7 without limitation. Unlimited Zip Codes.

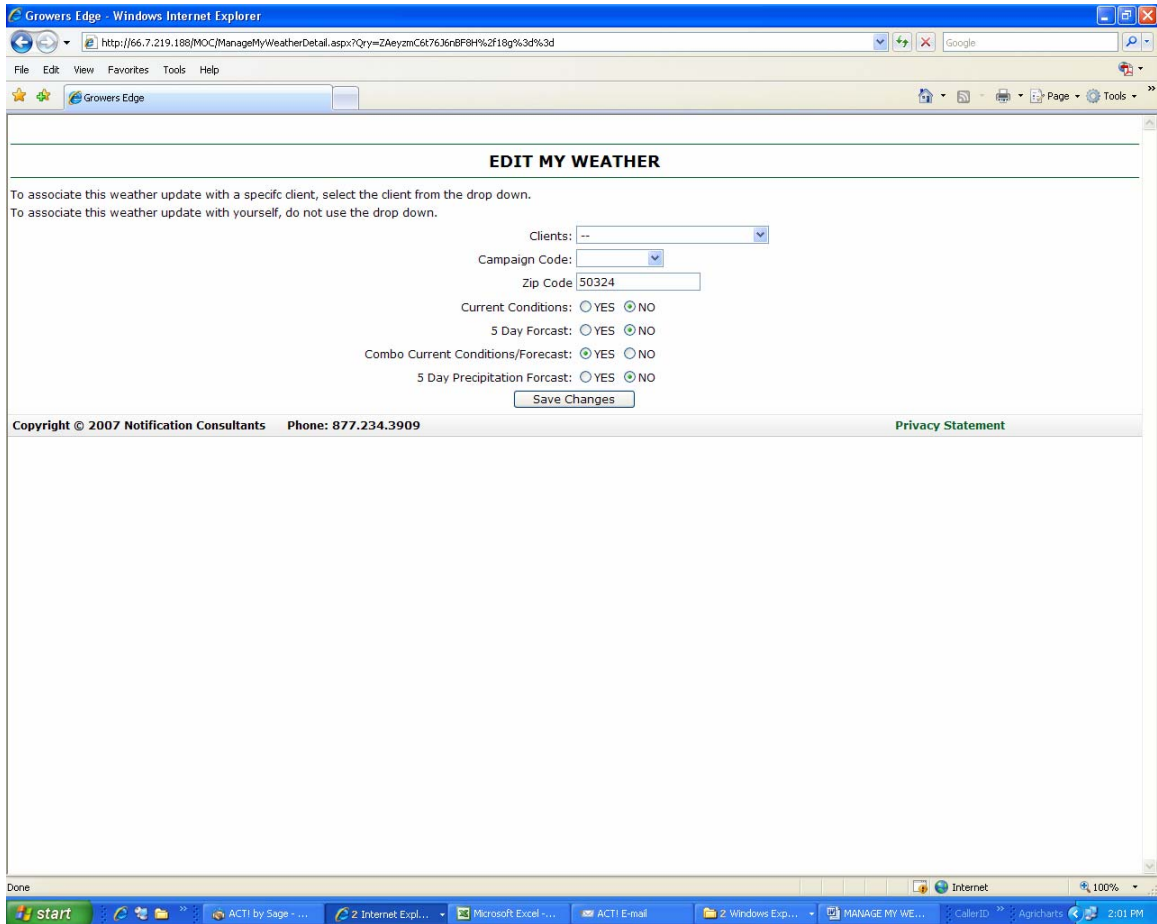

4 Weather Layouts Available: Current Conditions, 5 Day Forecast, a Combo of Conditions and 3 Day Forecast, and a 5 Day Precipitation Forecast.

To manage the weather for your clients, click on the White MANAGE MY WEATHER button on the left Navigation Pane of your Dashboard

The screenshot shows the 'MANAGE MY WEATHER' section of the Agricharts web application. The interface includes a navigation pane on the left with buttons for 'CREATE AND SEND A MESSAGE', 'MANAGE MY CLIENTS', 'MANAGE MY ALERT GROUPS', 'MANAGE MY MARKETS', 'MANAGE MY WEATHER', 'MANAGE MY BID GROUPS', and 'MANAGE MY CAMPAIGNS'. The main content area is titled 'MANAGE MY WEATHER' and contains a 'Weather' section with a link to 'Add Additional Zip Codes for Weather Updates'. Below this is a form for entering client information: Cell Phone, First Name, Last Name, and Account ID, with 'Search' and 'View All' buttons. A table titled 'Manage Current Weather Accounts' lists two accounts:

First Name	Last Name	Organization	Zip Code	Current Conditions	5 Day Forecast	Current Conditions / 3 Day Forecast	5 Day Precipitation Forecast

To Create a New Weather Account, near the top left of the screen, click on the green link: Add Additional Zip Codes for Weather Updates. This will open the EDIT MY WEATHER page seen below.

**To associate this weather update with a specific client, select the client from the drop down. To associate this weather update with yourself, do not use the drop down.**

**Select the appropriate Campaign Code from the drop down.**

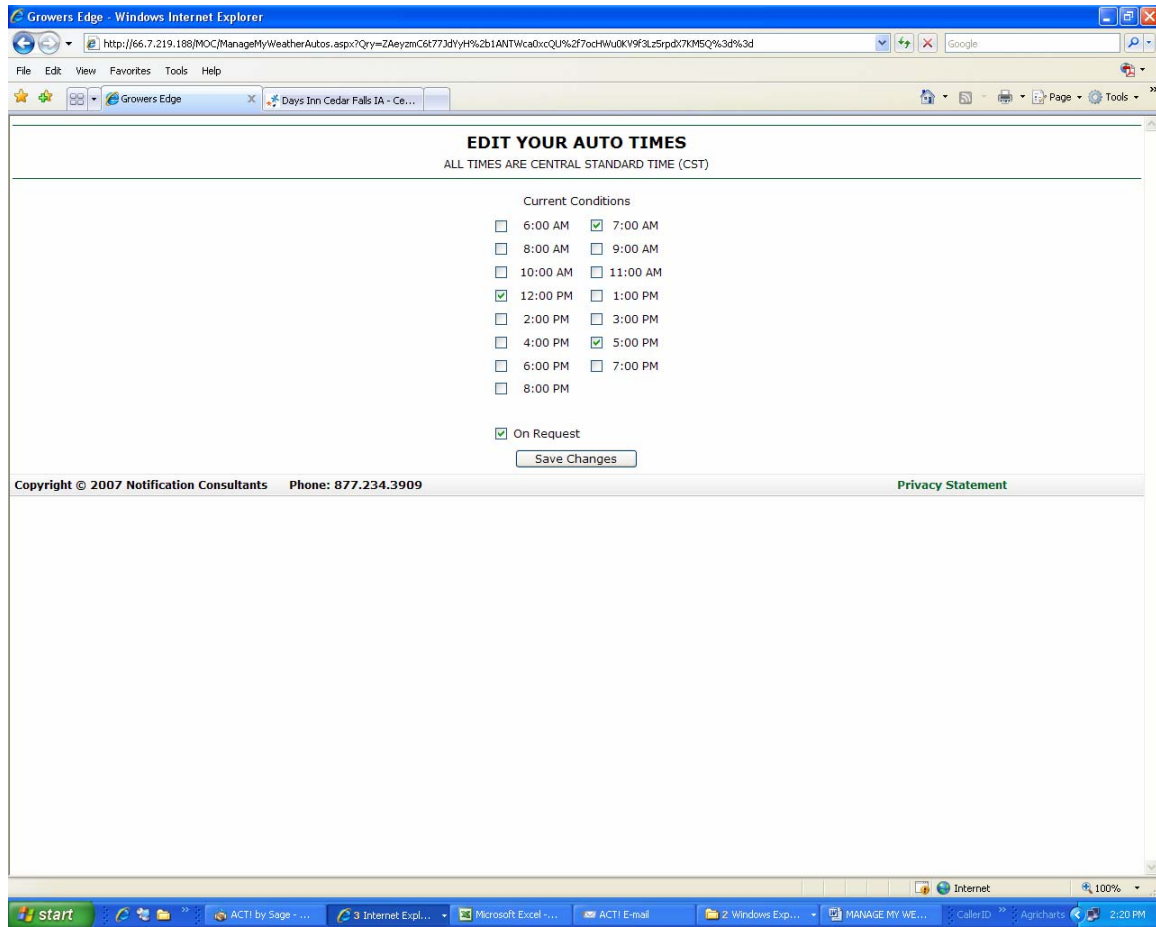

**Enter the Zip Code for the selected client.**

**Use the radio buttons to mark yes or no for the desired weather format(s).**

**Click the Save Changes button.**

**Notice that the Weather Account will be added as a new row in the Manage Current Weather Accounts grid of the Manage My weather page.**

For each Weather format, you can access the Delivery Times by clicking on the green Delivery Times Link under each Format Column. Select desired auto times and click the Save Changes button.

To modify whether a weather account receives a particular weather layout, simply click on the Select "Yes" or "No" radio buttons in any of the format columns. Notice the Edit Weather page opens, allowing you to make multiple format changes concurrently (radio buttons). After making your selections, simply click the Save Changes button. Remember to set the Delivery Times for any newly added format by clicking on the green Delivery Times Link under each Format Column.

To delete a zip code for a client, locate the client's zip code listing in the Manage Current Weather Accounts grid and select the green **Delete link** at the end of the row. You will be prompted with a dialog box asking you to confirm the deletion. Click the OK button.

**You can search for a client's zip code weather listings by using the Cell Phone, First Name, or Last Name fields at the top center of the Manage My Weather page and clicking the search button.**
